

COUNTRY CLUB OF GWINNETT

This year's AAIP Golf Tournament will be held at Country Club of Gwinnett located in Snellville, Georgia. The Country Club of Gwinnett, formerly the Trophy Club of Gwinnett, is located in the Country Club of Gwinnett subdivision in Snellville, Georgia. Hence our slightly altered name that promises Members inclusion in one of the largest "Clubs" anywhere with our alliance with nationally known golf management company ClubCorp of America.

Our Club offers 18 holes of Championship Golf on densely wooded, rolling terrain and a lake that comes into play on six holes. The par 72 championship golf course was designed by Steve Melnyk in 1993 and modified by Bill Boswell in 2004. In addition to our well-maintained championship golf course, this semi-private golf club has a full service Golf Shop and practice facilities including a driving range, putting green, chipping green and two practice bunkers. We also offer World-class tournament operations for outings ranging from 12 to 144 players.

The Event

Please come out and join us in making a difference by funding scholarships in the field of risk management. Over the past 11 years this tournament raised over \$100,000 in scholarships while creating an opportunity for networking and business relationships to flourish. Our goal is to raise \$10,000 this year. ***Come make a difference!***
