Ethnicity: \_\_\_\_\_

### **School Information**

Name of College/University Currently Attending: \_\_\_\_\_

Street Address: \_\_\_\_\_

City/State/Zip: \_\_\_\_\_

### **Essay Requirement**

Please select and respond to TWO of the following topics (clearly indicate your selections):

#### **Innovation & Inclusion**

*“The insurance industry is evolving with technology, climate challenges, and demographic shifts. How can future leaders like you leverage innovation and inclusive practices to build trust, expand access, and create sustainable growth?”*

---

#### **Diversity & Leadership**

*“What does leadership in a diverse and global insurance marketplace look like to you? Share how you plan to champion equity and representation in your future career.”*

---

#### **Risk & Opportunity**

*“Insurance is about managing risk and creating security. How can the industry better serve underrepresented communities while adapting to emerging risks such as cybersecurity, climate change, and economic uncertainty?”*

---

#### **Business Impact**

*“As you pursue a business degree, how do you envision using your skills to transform the insurance industry into one that is more innovative, inclusive, and responsive to the needs of a changing world?”*
